Levy of Octroi duty on certain articles in Mulbagal Municipality

---

SIR

With reference to your letter No L 4760/M1 88-48-23 dated 5th November 1948 forwarding the proposals of Mulbagal Municipality to levy octroi duty on certain articles for reexamination in the light of the recent instructions issued by Government in this behalf, I hav the honour to state that the proposals were examined by me in respect of each article. The rates of levy in respect of Jaggery and Groundnut both shelled and unshelled, proposed by the Council, were found to be low when compared with the rates obtaining in other Municipalities of this District. The Municipal Council were requested to reconsider the question and they have resolved at their meeting held on 11-1-49 that the rates in respect of these three articles may be revised A revised statement showing the articles on which the - - Council propose to levy octroi and the rates of levy is enclosed for kind reference.

The financial position of this Municipality is not satisfactory The Municipal Council have no funds to take up works of improvement and the levy of fresh taxes is absolutely necessary to improve its resources The rates of octroi proposed by the Council are normal and may be levied I request you kindly to obtain sanction of Government to the proposal of the Council to levy octroi duty on nine articles at rates specified in the revised statement (Flag A).

Yours faithfully,

For Deputy Commissioner,
Kolar District
(Absent from headquarters.)
